

MASTER LIST – INELIGIBLE HANDLERS
JANUARY 1996 THROUGH FEBRUARY 2002

The following handlers are not eligible for coverage under the Milk Producers Security Trust Fund because they failed to pay producers for bulk milk purchased and received:

The following handlers are designated as processing vendors, who purchase bulk milk from other bonded handlers, or are designated as producer handlers who use milk from their own production. In both of these situations, the processor is not required to obtain a Milk Handler's Bond since they are not making bulk milk purchases directly from producers or cooperative associations of producers. Therefore, shipments to these handlers are not covered by the Milk Producers Security Trust Fund.
